Tutoring Experience

Over the past 15 years, I've supported students in preparing for ESAT and a range of admissions tests, as well as subject-specific exams. I take pride in my track record of success, having helped numerous students secure places at prestigious institutions. My focus on History and English has allowed me to guide students in developing strong analytical and writing skills, essential for both exams and admissions essays.

Throughout my career, I've worked with students from various educational backgrounds, providing personalised support for A-Level and IGCSE curricula. My experience extends to working with students on university admissions, ensuring they present themselves confidently through interviews, personal statements, and test performance.

My passion for education and commitment to student success drives me to tailor each session to meet individual needs. Many of my students have achieved top results, and seeing them reach their academic goals is the most rewarding part of my work.
